Banquet Event Space

Event Space & Accessibility

Basil Restaurant (Short North location) can provide a semi-private banquet event space comprised of approximately one third of our restaurant dining floor, sectioned off by curtain, from the normal dining floor. Access is through the front entrance of the restaurant, which is handicap accessible.

Policies & Guidelines

Dining Space Capacity

A minimum guest count of 20 people (Monday-Thursday) or 30 people (Friday-Sunday) is required in order to reserve the banquet event space, however the space can accommodate up to 40 people, comfortably seated, which is the maximum holding capacity of our event space. If a party should arrive with less than the minimum requirement, the group will still be charged the food cost and event space fees for the original headcount stated on the Basil Banquet Event Contract.

Space Reservation Security Deposit

A \$100 security deposit is required to complete the banquet event reservation and secure the event space on the requested date. Deposit payment can be made over the phone or in-person at Basil restaurant using any major credit card, and will be refunded to the guest or credited to the total bill upon conclusion of the event.

Without a deposit, the event space will remain available on the requested date and could be booked by another guest. The deposit is refundable up until 7-days before the event. A confirmation telephone call will be made to the guest, and if Basil cannot reach or does not hear back from guest by the 7-day deadline, the card on file will be charged and no refund will be offered in the event of either, (1) event cancellation, or (2) no-show for the event.

Contract

A very simple Event Contract will be completed and filed for all private banquet events. The Basil staff event coordinator will collaborate with the guest responsible for coordinating the event to finalize event details and document on the contract. Guest is required to provide the \$100 security deposit in order to complete contract and book the event space. The Banquet Event Contract is only valid with both (1) documentation of guests' credit card information, and (2) an attached copy of the \$100 deposit receipt after card has been successfully charged. Without receipt of a security deposit, Basil cannot complete the Banquet Event reservation, nor can we guarantee the space will be held and available on the date and time of tentative event.

Policies & Guidelines Cont.

Guest Count Guarantee

Basil requests a confirmation of the final guest count at least 48 hours prior to the scheduled event. If no final guest count is received, Basil will prepare for the original guest count as documented on the Banquet Event Contract.

Should the party arrive with an actual guest count that exceeds the original guest count, we cannot ensure additional seating will be available, nor can we ensure our highest level of service will be maintained. Every attempt will be made by Basil staff however, to accommodate any additional guests in this event, and the total bill will be adjusted to account for the food cost and space-rental fees for all additional guests. Should a party arrive with a guest count lower than the expected number, the total bill will not be adjusted and the charges will reflect the original guest count as stated on the Banquet Event Contract.

Cancellations

We at Basil understand that unforeseeable events can happen, and your reservation may need to be cancelled. If a cancellation occurs 7 days before your scheduled event, the deposit will be returned to you in full. Should the event be canceled after the 7 day deadline, the deposit will be forfeited. Should an event be canceled on the scheduled day, the deposit shall be kept, and the guest will be charged the total food bill agreed upon.

Tax & Gratuity

Gratuity is not included in the food and beverage minimums. A 20% gratuity and the applicable Ohio sales tax will be added to the total bill at the summation of the event. Any events that request tax exemption must provide Basil with the necessary documentation at the beginning of the event, or the applicable taxes will be charged.

Decorations

Any and all decorations must be pre-approved by the event manager prior to the event. Any damage to the space by the guest will be the guests' responsibility.

Complimentary

Basil is happy to provide custom menus and food/ drink description cards for your event, if needed. Basil also can assist with audio visual hooks ups in some cases. It is recommended that your equipment is tested 3 days before your scheduled event. Basil is not responsible if your equipment does not work.

Policies & Guidelines Cont.

All banquet event parties will receive shared dining service, and may choose either (1) “family-style” dining or (2) “self-serve buffet” dining service. Specific menu items will be selected from the “Basil Banquet Events Menu’ by the guest prior to the event. We request that menu selections be made and submitted at least 72 hours (3 days) prior to the banquet event, which will ensure our highest level of food quality and individual dish integrity is maintained.
